Vice president Song Jingwu met with Mr. René Héman, vice president of the Royal Dutch Medical Association (KNMG) on March 17th, and held a welcome lunch in honor of the delegation. Vice president Song exchanged views with Mr. Héman over the bilateral cooperation on medical care, health care and old-age care policy. Vice president Song highly remarked on the long history of friendship between China and the Netherlands, and appreciated the important role of the Netherlands in European affairs. He wished the visit a great success.
