You may have been exposed to a communicable disease during the flight / voyage and the Estonian Sanitary Quarantine Service kindly asks you to answer the following questions regarding your health and your travel history:

1. Flight/voyage details:

Flight number / Name of airline or ship _____

Places visited: _____

2. Personal information:

Last name _____ First name _____

Date of birth _____ Sex: ? M ? F

Home address: Street _____ City _____

Country _____

3. General contact details:

Telephone(s) - Home: _____ Work _____ Mobile phone _____

E-mail(s) _____

4. Do you have the following symptoms?

- fever which persisting for several days ? Yes ? No
- fever with profound weakness, headache, backache ? Yes ? No
- fever with cough ? Yes ? No
- severe diarrhoea with symptoms of collapse ? Yes ? No
- jaundice accompanied by fever ? Yes ? No

5. Where did you stay for the last 21 days (country, city) before you arrived in Estonia? _____

6. Where will you be and how can you be contacted in the next 21 days?

Date	Places	Contact information

7. Urgent! In case you become ill within the next 21 days you should notify your doctor (**by phone**) about your illness and your travel history.

Signature _____ Date _____

THANK YOU FOR ATTANTION
